seventeen hundred years ago key elements of our ancient heritage were lost relegated to the esoteric traditions of mystery schools and sacred orders among the most empowering of the forgotten elements are references to a science with the power to bring everlasting healing to our bodies and initiate an unprecedented era of peace and cooperation between governments and nations in his groundbreaking new book the isaiah effect gregg braden turns to the isaiah scroll perhaps the most important of the dead sea scrolls discovered in 1946 to offer insight into a powerful form of ancient prayer in the isaiah effect braden author of awakening to zero point and walking between the worlds combines research in quantum physics with the works of the prophet isaiah and the ancient essenes he demonstrates how prophecies of global catastrophe and suffering may only represent future possibilities rather than forecast impending doom and that we have the power to influence those possibilities in addition to describing multiple futures the isaiah texts take us one step further clearly describing the science of how we choose our futures tracing key words of isaiah's text back to their original language we discover how he taught a mode of prayer that was lost to the west during biblical editing in the fourth century braden offers detailed accounts of how elements of this mode of prayer have been applied in a variety of situations ranging from healing life threatening conditions to entire villages using collective prayer to prevail during the 1998 fires in southern peru in each instance the correlation between the offering of the prayer and a shift of the events in question was beyond coincidence the prayers had measurable effects as modern science continues to validate a relationship between our outer and inner worlds it becomes more likely that a forgotten bridge links the world of our prayers with that of our experience each time we engage ourselves our loved ones and our communities with isaiah's life affirming message of hope we secure nothing less than our future and the future of the only home we know

there is a messy secret within the western evangelical church and it is starting to get out we re not who we think we are and it is becoming painfully obvious to the rest of the world around us the secret we have abandoned the preaching of the true gospel and as a result admitted thousands of people into our local assemblies who are lost and dead in their sin this has landed the evangelical church in utter ruin and devastation rather than hearing the cross and the gospel of christ proclaimed in our churches we now hear the relative gospel a gospel of ceremonial works that cannot save anyone and we are facing judgment because of this scandals wreck whole denominations sin plagues our congregations and pulpits people remain dead in their sin and the testimony of christ suffers shame the church is now almost indistinguishable from the secular culture that we are called to reach we have wholly embraced cultural christianity it is time to face the ugly truth in the mirror and return to the preaching of the true biblical gospel as revealed in holy scripture we must return to preaching the fundamental truths of god s word god is holy in his righteousness man is dead in his sin and incapable of saving himself hell awaits any who would dare to trust in anything other than christ to save them for he alone is our atonement and propitiation trusting in his death and resurrection is the only means of salvation from sin and hell we must call people to repent of their sin submit to jesus as lord trust in him alone and follow him it is time to condemn the relative gospel in all of its forms for what it is a false gospel salvation is not found in a ceremonial ritual politician political party or ideology it is found in christ alone we must repent turn back to the bible preach it unashamedly and trust god alone to save it is time to condemn cultural christianity
