this is an open access book research and teaching activities in the fields of language literature and culture are still being carried out even during the covid 19 era that hit the world it is undeniable that the results of research and learning of language literature and culture at this time were a bit hindered because most activities were carried out from home during the covid 19 period which started in early 2020 practically more activities were done at home likewise institutions during the covid 19 era were carried out online for example the language agency continues to carry out activities but it is carried out online such as online webinars that contribute to the wider community in accordance with the duties and functions of the language agency carried out using a hybrid method or completely online various events are packaged creatively and innovatively to produce a new spirit in speaking research and teaching of language literature and culture during the covid 19 period resulted in many amazing innovations and creativity in line with technological developments covid 19 has inspired many in research on language literature and culture in the field of language you can see research

on the language used in covid 19 such as said cases of suspected respiratory tract infection odp people under monitoring confirmed cases a person who is late known to be infected with covid 19 etc that s the content content on youtube about the use of language is a hot object of research to research in terms of culture the government is making various efforts to break the chain of the spread of the covid 19 pandemic in a massive and systematic manner covid 19 is not only a deadly virus but has a domino effect that is also terrible one of the policies used by the government in preventing and controlling the spread of covid 19 is implementing the large scale social restrictions psbb policy as an investment culture also requires strategies and enablers so that it is able to achieve the target of the happiness and welfare of the indonesian people this strategy is implemented through providing for a diversity of cultural expressions developing cultural practices utilizing cultural promotion objects accelerating institutional reform and increasing the government s role as a facilitator teaching issues especially teaching methods of language literature and culture need to be highlighted in terms of it based innovation and creativity after covid 19 how especially teaching methods in applying the material research on learning methods has also been carried out a lot especially methods that focus on students entering the new normal era or the new era after covid 19 with innovative research and learning of language literature and culture it is interesting to reveal a major event namely the 3rd international conference on linguistics and cultural studies sponsored by the faculty of cultural sciences hasanuddin university makassar

an exploration of story telling as discourse through a wide range of teaching activities

ideal for methods and foundational courses in world languages education this book presents a theoretically informed instructional framework for instruction and assessment of world languages in line with actfl and cefr standards this volume brings together scholarship on contextualized task based performance assessment and instruction with a genre theory and pedagogy to walk through the steps of designing and implementing effective genre based instruction chapters feature

step by step lesson designs models of performance assessment and a wealth of practical and research based examples on how to make languages explicit to students through a focus on genre including sections on arabic french spanish italian and other major world languages this book demonstrates how to effectively teach and assess world languages in the classroom

this book examines how different texts work to achieve their purposes

the process approach is a method of teaching writing in the primary school in the uk it has become important through the national writing project primary writing is the first book length examination of the method as applied to the uk

the chapters in this volume represent an approach to the notion of language transfer which reflects the paradigm shift originating from cognitive science the perception and expression of ideas and events in one language in terms of another language is considered only a special case of one of the fundamental processes in human problem solving reasoning by analogy transfer in language production is seen as a basic metaphorical concept denoting language interaction that must be discussed in connection with other metaphorical concepts denoting language interaction as well if this is true the assessment of language transfer in light of the production paradigm has hardly begun it will continue to be a topic of far reaching consequences for a theory of language processing and language acquisition
